

Alumni Management System

By-Anuj Kumar

Roll-15075006

B.Tech Part-IV

Department of CSE IIT (BHU) Varanasi

Under the Guidance of **Dr. Pratik Chattopadhyay**

Abstract

- ▶ The objective of this application is to allow old and new students of a university or college to communicate with each other. This allows students to know about each other and their current activities.

Functionalities

Why we need it ?

- ▶ Many institutions, colleges and universities maintain the information manually about present and past students. This does not allow efficient data management and retrieval process. A student willing to get information about others has to approach the college and obtain the details. Often the information may not be available and misleading.

Proposed System :

The application allows students to register and then search the data based on different criteria. Also it has the benefit of having a centralized database and up to date information. A user can easily obtain information about other registered users.

Modules :

The System is proposed to have the following modules:

- 1.Administrator module
- 2.Event manager module
- 3.Alumni module
- 4.Student module

Administrator Module

The administrator is responsible for maintaining information of students. When a student submits the registration form, administrator will complete the verification process and, if successful, the student details are added into the database. The administrator maintains the passwords of Event Manager and that of himself.

Event Manager Module

This module maintains the information about various events that are conducted by various colleges and universities. Details of notifications are also maintained. The manager can add, delete, edit and view event details.

Alumni & Student Module

The Alumni/Students can register themselves and after the approval from the administrator, they can logon into their account and can send mails, post queries, update their profiles and even search for other student details. one can view the event details and search for specific information. The module provides mail and query functionalities.

BHU Centennial Celebrations!

Dear Fellow Alumnus/Alumna, This year our Alma Mater - BHU - is celebrating 100 years of contribution to education in India. To launch the celebrations, the IIT-BHU Global Alumni Association will be hosting a Global Meet at the Santa Clara Convention Center, CA on the 17th of September 2016. An event of this importance requires your whole-hearted support and participation. Please register <http://centenary.iitbhuglobal.org/registration> as soon as possible and mark September 17 on your calendar. Please convey this message to your BHU friends. Looking forward to seeing you at the event, Thank You.

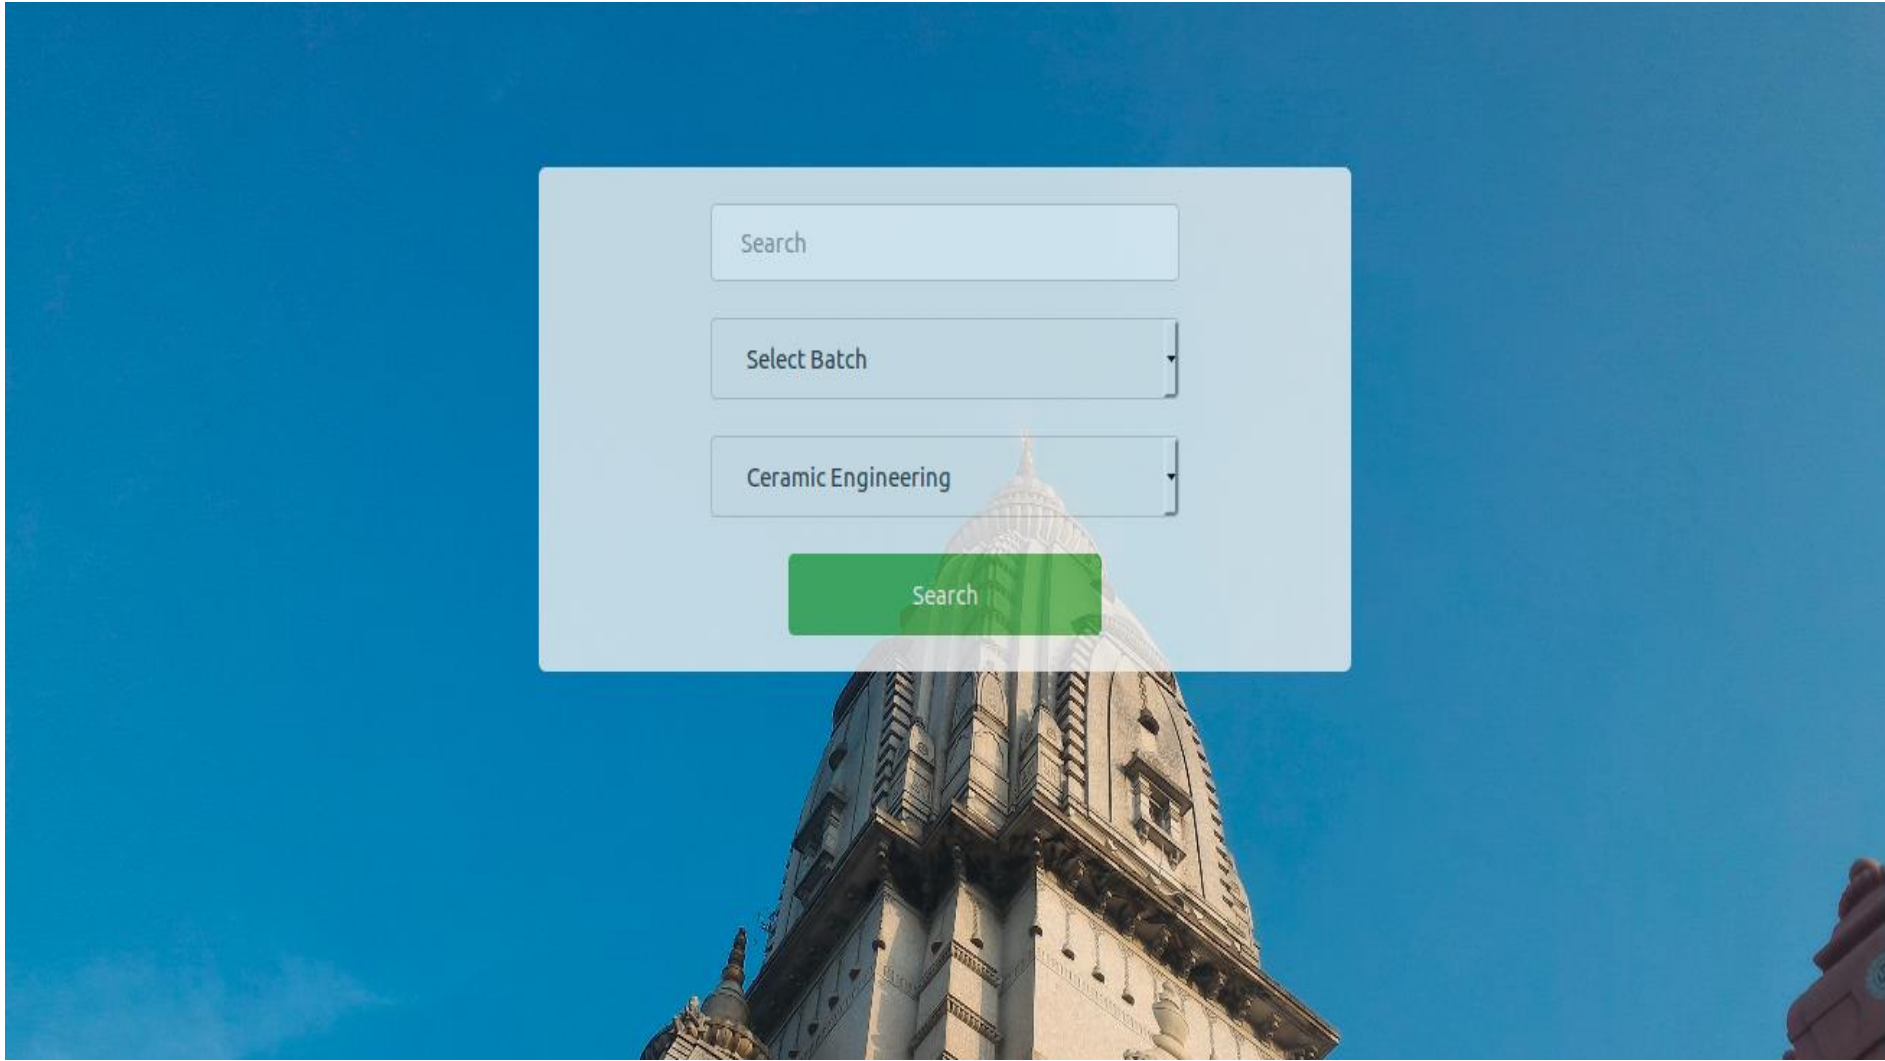

Ramesh Srinivasan (Metallurgy 1982) Chair, 2016 Global Alumni Meet Vivek Agarwal (Electronics 1986) Co-Chair, 2016 Global Alumni Meet Vish Narayanan (Electrical 1983) President, IIT-BHU Global Alumni Association

Special guests and VIPs at the Global meet will include:

- * Prof. Girish Chandra Tripathi, Vice-Chancellor of Banaras Hindu University
- * Prof. Rajeev Sangal, Director of IIT (BHU)
- * Prof. Anil K. Tripathi, Dean, Resource and Alumni, IIT (BHU)
- * Prof. Satish Tripathi, President, State university of New York at Buffalo, New York (M.Sc. Statistics, BHU, 1970)
- * Shri Manoj Sinha (Civil 1979), Minister of State, Communication and Railways
- * Mr. R. K. Verma (Civil 1979), Secretary, Railway Board
- * Dr. Virinder Moudgil (PhD Molecular Science 1972, BHU), President & CEO, Lawrence Technological University, Michigan
- * Ambassador Venkatesan Ashok (Civil 1981, IIT-Delhi), Consul General of India - San Francisco
